

# LOUADA OCTOBER SALE

MONDAY, OCTOBER 27, 1969

JIM  
ROSE

**On the Front Cover —**

The bull is Duncrahill Happy Man, the recently imported Louada stock bull whose service is a feature of the October 27 sale. The female is the All-American Louada Judy Clara 2nd, a full-sister to the International supreme champion Louada Judy Clara that sells as Lot 13.

## *Welcome to Louada*

It gives us the greatest pleasure to invite you to Louada for this 16th Shorthorn sale. To each of you from around the world we extend our greetings and warmest good wishes.

This has been an exciting year at Louada, marked by the arrival of three new stock bulls from Scotland. As the Louada breeding program progresses, it becomes increasingly difficult to find bulls that will work real improvement, but we are confident that these three will show significant advances. The first calves by Woodhead Buchan already are here and they're proof enough.

Many have asked why Louada will sell more females than ever before. The answer is economic. You raise cattle to sell. At Louada we find it wise to retain daughters of the sires that are doing so well for us. From a herd standpoint, it makes for more uniformity and a young cow herd. From the buyer's standpoint, he can purchase proved females that still have most of their productive lives before them. Your letters indicate the success of this program.

This promises to be our biggest and best offering. We hope you'll spend as much time as possible with us to see the progress made in the last year. The farms are always at their most beautiful in October and we'll do everything possible to insure your comfort.

We eagerly anticipate your visit and look forward to your being our guest at dinner the night before the sale at the Rock Haven Motel, Peterborough.

The newly imported Duncrahill Happy Man is shown shortly after his arrival on pasture with a number of the cows that will carry his service in the October 27 sale.

## GENERAL SALE INFORMATION

**TIME AND PLACE . . .** Monday, October 27, 1969, at Louada Manor Farms, Peterborough Ont. The farm is about 20 miles north of Peterborough which is about 80 miles from Toronto. Sale starts at 12 Noon.

**TRANSPORTATION . . .** From Toronto the Canadian Pacific runs frequent trains to Peterborough. Toronto is reached easily by any means of transportation. If you wish to be met in Toronto, we will be happy to do so, but please let us know sufficiently in advance. See pages 5 and 6 for more detailed information.

**HOTEL ACCOMMODATIONS . . .** Sale headquarters will be the Rock Haven Motel in Peterborough. You may write them directly telling them you are attending this sale, or write to Wilbur Donaldson, Louada Manor Farms, R. 2, Peterborough, Ont., who will be glad to make reservations for you. Other good motels are the Holiday Inn, Tops, the Golden Nugget, and the Kawartha. All are excellent and all are located on Highway 26, south of Peterborough. We also recommend The Empress Hotel, Peterborough. Transportation from all these will be provided to and from the farm. A block of rooms has been reserved in the Rock Haven and the Holiday Inn, but they cannot be held indefinitely due to heavy demand by tourists at this time of year. Accordingly, please make your reservations early.

**AUCTIONEERS . . .** Paul Good, Van Wert, Ohio, and Dick Kane, Wisner, Neb.  
**GUARANTEE . . .** All cattle will be sold under the Standard Guarantee endorsed by the American Shorthorn Ass'n.

**HEALTH . . .** All cattle will be sold under the laws of Ontario and will comply for entrance to the United States. Official calfhood vaccination of females is practiced and the herd is accredited for T.B. and is in a certified Brucellosis free area.

**TERMS . . .** The terms of this sale are cash. Checks should be handed to the clerk immediately following the auction. Please be sure to have the clerk record your shipping instructions. All announcements at sale time, written or oral, supersede any written material in this catalog.

**LIABILITY . . .** Louada Manor Farms, its owners and employees accept no liability for accidents that may occur. Accidents at cattle sales are very rare, but all attending must do so at their own risk. The sale manager, auctioneers, and clerks were employed by the owners for specific tasks, promotional and clerical, and have no connection with the handling of the cattle, the condition of the premises, fulfillment of guarantees, or health papers. The sale of each animal constitutes a contract between the buyer and seller of each lot, but the sale manager cannot be responsible for the fulfillment of that contract.

**LUNCH . . .** A ladies church organization will have lunch available sale day.

W. W. Donaldson  
Louada Manor Farms  
R. 2, Peterborough, Ont.  
A.C. 705-743-6980

Louis Cadesky  
Suite 503; 365 Bay St.  
Toronto 1, Ont.  
A.C. 416-363-0412

**FARM PHONE:** (705) 657-8840. This phone is nearest the sale barn and this is the number that should be used on sale day.

**FARM STAFF:** Juan Carlos Mon, Lee Rintoul, Alan Herrington, Walter Cummings, farm foreman.

**FOR FURTHER INFORMATION ON SALE CATTLE . . .** The farm manager or sale manager will give you his critical appraisal of any of the cattle listed in the auction.

**MAIL BIDS . . .** We hope it will be possible for you to attend this sale. If it is not, there are many competent representatives to whom bids may be sent, all of whom will be attending the sale:

E. H. Stoltz, Canadian Shorthorn Ass'n, Gummer Bldg., Guelph, Ont.  
C. D. Swaffar, American Shorthorn Ass'n, 8283 Hascall Street, Omaha, Nebraska.  
Harris Simons, The Shorthorn World, 16 S. Locust St., Aurora, Ill.  
Lyle Eiten, Ladd, Illinois,

C. K. Tomson, Harding & Harding, Geneva, Illinois.  
Ed Huff, Livestock Breeder Journal, Culpeper, Virginia.

Al Hamann, Rock Rapids, Iowa.

W. L. Elliott, Secretary, Ontario Shorthorn Club, R. 4, Guelph, Ont.

Warren Morse, The Drovers Journal, Kansas City, Mo.

Forrest Bassford, The Western Livestock Journal, Denver, Colo.

. . . or to any of the auctioneers listed, the owners or employees of Louada. All these representatives may be reached at the farm phone listed above within 24 hours of the sale.

**INSURANCE . . .** Will be available at the sale.

**PEDIGREES . . .** Pedigrees on each lot will be furnished to the new owner transferred on the records on the Canadian Livestock Records Ass'n. Further transfer to the herd books of other countries will be at the expense of the buyer.

**DELIVERY . . .** Louada Manor Farms will hold any purchases in this sale without charge and make free delivery to Chicago, Buffalo, Port Huron, Alexandria, N. Y., or Toronto at its convenience following the sale. From these points buyers can usually arrange further group transportation to get their cattle home at minimum cost.

**SHOW RIGHTS . . .** Louada Manor Farms reserves the right to select from the sale offering members for its show herd without any further announcement and keep them until after the International Livestock Exposition.

**PREMIUM ON U.S. DOLLARS . . .** The U.S. dollar is at a premium of about 7% in Canada. This exchange differential more often than not pays the buyer's cost of getting animals home.

**HARRIS SIMONS, Sale Manager**

16 S. Locust Street, Aurora, Illinois 60506 — Tel: (312) 896-8511

A hand-drawn map of the Great Lakes region. The map shows the five Great Lakes: Superior, Michigan, Huron, Erie, and Ontario. A travel route is marked with a thick line. The route starts in Detroit, Michigan, goes east through London and Toronto in Ontario, Canada, then south to Buffalo in New York State, and finally south to Cleveland. Major roads are marked with route numbers: 401, 115, and 90. The word 'ONTARIO' is written in large letters across the Canadian portion of the map.

## TRAIN AND PLANE INFORMATION

### By air . . . Chicago to Toronto

Air Canada, United and American airlines have many flights a day — each way — between Chicago and Toronto, leaving from O'Hare Airport.

### By air . . . from other points

In the eastern part of the country, there are direct flights to Toronto from New York and Cleveland. Excellent service also from the Canadian West and East.

### By rail . . .

You can take a sleeper out of Chicago to Toronto and return the same way. Trains generally leave Chicago about 8 p.m. and arrive in Toronto early in the morning. The train from Toronto to Chicago leaves about 10 p.m. Since schedules are subject to change, please check exact departure times.

### By automobile . . .

The present super-highway system makes the drive a good deal easier than ever before. We would like to point out, however, that the cost of a round trip airplane ticket from Chicago-Toronto is only about \$70. Rail is about the same. Traveling alone, it is difficult to beat this by car.

### By rail . . . Toronto-Peterborough

There is good service but there are changes in schedules and we shall not attempt to give you times here. If you have traveled to Toronto by train and find that you can make a good connection on to Peterborough, it will probably be best for you to do so because it is a fast train. However, if you are to encounter a long delay, we would prefer that you call W. W. Donaldson (705) 743-6980, and we will arrange to pick you up with others coming from the airport. Coming back from Peterborough to

Toronto there are generally trains at times that will enable you to make your connections, but in the event you cannot find a convenient connection, we will see to it you have transportation to Toronto.

### Meeting you in Toronto

We will be happy to meet your plane. It is about a two-hour drive to the farm. Try to arrive early enough so you won't miss the gathering at the farm Sunday afternoon. **Please advise us in advance of your arrival time. Then you should report to the flight information desk of Air-Canada.** A representative of Louada will be nearby. If you miss connections, call W. W. Donaldson, (705) 743-6980.

If you are coming by train, you may find it just as convenient to continue by train from Toronto to Peterborough. However, if this doesn't work out, call the farm and we will include you in the cars coming from the airport. Cars will also be going back to the airport after the sale.

### Cars from Peterborough

If you are without transportation upon arriving in Peterborough, contact the farm. On sale day cars will leave from the motel area at approximately 8:00 a.m. and 8:30 a.m.

**All train and plane information given here is approximate. Be sure to check with your ticket agent for exact times. Because schedules change, we cannot quote exact times.**

*We urge you NOT to make your connections so closely that you arrive in Toronto Monday morning.*

# LOUADA:

## The Mark Of Good Breeding

The Louada name in a Shorthorn pedigree has been a symbol of excellence for more than two decades. It is the mark of good breeding only because it has been tested in the leading herds of the world and found superior.

Louada's continuing success has been achieved because the herd moves boldly and forceably ahead to reach its clearly defined goals. Here are just a few of the reasons:

At Louada exists a partnership between two men of sustained determination. No project is too big for Louada and no herd has ever been more richly rewarded.

Louada believes in progress . . . not just change. The breeding program shows it. And, Louada is always among the first to conquer new fields. This year, for the first time, Louada bulls were consigned for sale in Argentina where more than 1,600 persons turned out to see them.

Louada realizes the priceless value of truly great stock bulls, and it has been blessed with a succession of them. Three have recently arrived from Scotland; you'll have the first chance to buy their service on October 27.

Louada recognizes the great importance of a bull's dam. It has never used a bull out of any less than a truly great cow, and

it never will. Further, each has been selected for the value of her outcross pedigree.

To produce stock bulls for the great herds of the world, Louada maintains as many powerful brood cows as you'll find anywhere. The Louada program calls for sharing these great young cows with you as their places are taken in the herd by daughters and sisters. They sell more females this year than ever before and visitors agree that they are the best group yet.

With more emphasis on size and substance than ever before, more and more breeders are looking to Louada for herd sires. Bulls weighing 1,000 pounds at a year in lean condition are not unusual at Louada. Those who have used one or more Louada bulls know their improving value in just one generation.

A trip to Louada is always a great pleasure. Breeders from throughout the world annually converge there for the fall sale. You'll want to be among them on October 27. The choices you make that day will certainly influence your herd and the entire breed for years to come.

**HARRIS SIMONS**  
The Shorthorn World

*Be a Part of the Excitement That Is Louada!*

# The Clan Will Gather Early Sale Weekend

Indian summer is always beautiful in Ontario and no farm is more pleasant than Louada, nestled on the shores of picturesque Pigeon Lake. It's the setting for one of the most pleasurable weekends in the cattle business.

The farms are large and you can roam at will inspecting the brood cows, stock bulls, young calves and, of course, the sale offering. Be sure to see the newly imported Duncrahill Happy Man and Chapelton Glenfyne. They alone are worth the trip.

And, you can enjoy meeting Shorthorn and Polled Shorthorn breeders from throughout the country and around the world. Their interests are varied and you'll have something in common with each.

Come as early as you like, but don't arrive any later than Sunday. Remember, this year the Louada sale is once again on MONDAY. Stay as long as you like, but plan definitely on buffet dinner Sunday night.

## IN THE PICTURES

Shorthorn and Polled Shorthorn breeders from every walk of life arrive early at Louada for the year's leading Shorthorn sale. All identifications are from left to right.

1. Charles Duggan, Sittyton, Argentina; Clint Tomson, Geneva, Illinois.
2. Mr. and Mrs. Lou Cadesky welcome their guests to buffet dinner the night before the sale.
3. Charles Ewald, Waldorf, Minn., and E. H. Stoltz, secretary of the Canadian Shorthorn Ass'n.
4. W. W. Donaldson of Louada; Harold Thieman, Concordia, Mo., Harris Simons, The Shorthorn World.

# They'll All Be At Louada

Year after year they come to Louada seeking stock bulls and foundation females to strengthen the leading herds of the world. Here you'll find famous breeders from Scotland, Argentina, Australia, all parts of the

From left are Mr. and Mrs. B. Hollis Hanson, Connersville, Ind., and Mr. and Mrs. Bob McElroy, Georgetown, Ohio.

# On October 27!

United States and Canada. Only a few are pictured here. But, you'll meet hundreds as they converge on Louada on October 27. Will you be among the breed's most discriminating buying audience this year?

With their top female from the 1966 sale are Buck Bardwell and Mr. and Mrs. Larry Hart, Waxahachie, Tex., and E. H. Stoltz of the Canadian Shorthorn Ass'n.

Mrs. James J. Brennen, left, Mains Farm, Poulso, Wash., with Mrs. Leonard Buck, Allwood Plantation, Thomasville, Ga.

Part of the 1968 sale crowd includes, from left in the second row, Paul Potter, 'Big Rock, Ill.; Louis Latimer, Olds, Alta., and Mr. and Mrs. T. C. Stuart, Arundel, Que.

Lewis Dempster, Arlington, Iowa; Leonard Buck, Thomasville, Ga.; and Ken Allen, Owen Sound, Ont., compare notes at the 1968 Louada sale.

Best six head at the Minnesota and South Dakota State Fairs were these shown by Ben G. Studer, Wesley, Iowa. They are by Louada White Knight.

## Study The Performance Of

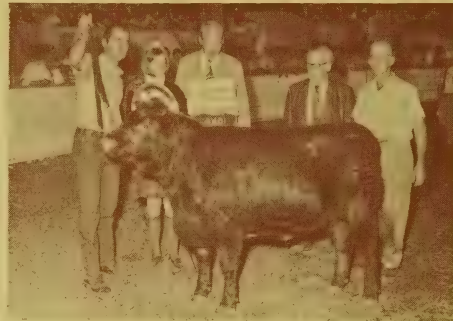

The record of Louada sires in the hands of others is Louada's greatest recommendation. If Louada bulls did not perform well for their discriminating new owners, they wouldn't come back. And Louada's scores of repeat customers are a source of great satisfaction.

Sons and daughters of Louada bulls have won almost every major award in the United States and Canada at one time or another over the last 20 years. They have topped nearly every sale in both bull and female categories.

Left — Mayflower's Angie by Louada Resolute was reserve grand champion female at the Canadian National Exhibition for Millar Farms, Keene, Ont.

Right — Renown's Eliza by Allwood Renown was grand champion female of the Iowa State Fair for Lloyd Burr & Son, Lone Tree, Iowa.

# Louada Stock Bulls For Others

Obviously there's a reason for this sustained performance. The pedigree depth that backs every Louada stock bull and foundation female is a sure guarantee of their prepotency in the hands of their new owners. The winners pictured here are just a few of the many by Louada sires in the show season just beginning. Note the strength that Louada is adding to Polled Shorthorns as well. Year after year . . . in herd after herd . . . Louada is at the forefront building a stronger breed.

**Sutherland Prospector x by Sutherland Nugget x by Louada Nugget** is one of the most successful show bulls of all time. He was just named grand champion of the big American National Show, Lincoln, Neb.

**Left — Rothes Augusta Lily by Louada Rothes Scout** was grand champion female of the Indiana State Fair Gold Medal Show for Dave Garriott, Scottsburg, Ind.

**Right — Knight's Air Raid by Louada White Knight** was reserve junior champion bull of the Iowa State Fair for Ben G. Studer, Wesley, Iowa.

First-prize senior get-of-sire at the 1968 International Livestock Exposition were these by Denend Constellation for Louada.

First two-bull group at Chicago. From left are Louada Roxborough that topped the October sale at \$5,700 to Tutira, Arundel, Que., and Louada Bon Accord sold to Les Mathews and the Barnun Co., Yates City and Aledo, Ill.

Second two-bull group at Chicago. From left are Louada Winfield by Denend Constellation, owned by B. Hollis Hanson, Connersville, Ind., and Louada Acheson by Louada Royal Leader that is junior stock bull at Louada.

# Uniformity Tops Them All In The Shows

First three-bull group at the 1968 International. From left are Louada Roxborough and Louada Winfield, both by Denend Constellation, and Louada Bon Accord by Louada Royal Leader.

Best six head at the 1968 International Livestock Exposition were exhibited by Louada Manor Farms.

## *And at the Royal Winter Fair, Three of Four Bull Champions*

Louada Acheson by Louada Royal Leader was junior and reserve grand champion of Toronto's Royal Winter Fair. He is junior stock bull at Louada.

Louada Royal Oak by Louada Royal Leader was reserve senior champion of the Royal Winter Fair after selling to Mr. and Mrs. D. A. Phillips, Highlands, N. C.

Louada Roderick by Louada Royal Leader was Royal Winter Fair reserve junior champion. He is in service at Louada.

## The Big Louada Bulls

Time after time . . . in show after show . . . in sales and in the pastures of others . . . Louada bulls and females stand out above the rest.

It's taken years of careful breeding to achieve these consistent victories. It's taken years to produce a herd of "locked in" uniformity . . . a heritage that is your assurance of stock bull power with every Louada sire you buy.

Louada Bon Accord by Louada Royal Leader was 1968 International reserve junior champion for Louada. He sold in the fall sale to Lester Mathews, Yates City, Ill., and the Barnun Co., Alledo, Ill.

## Continue To Win It Big!

Study the winners pictured here from the 1968 International. Louada is the only herd ever to TWICE win the important ten-head class with TEN BULLS . . . each of individual excellence within the uniformly excellent Louada pattern.

If at least one of your stock bulls has not come from Louada, perhaps you should see for yourself the young sons of Denend Constellation, Louada Royal Leader, and Louada Bondholder selling October 27.

The 1968 International senior champion female was Louada Bright Princess by Louada Rothes King from the imported James Biggar family. See her at Louada on sale day this year.

Here is Louada Acheson in the sale ring at Sittyton, near Buenos Aires in Argentina where he was top-selling bull to Charles Duggan.

Louada Roderick is in the sale ring in Argentina before a crowd of 1,600 persons.

## Breeders Around The World Look To Louada ... These Sold Recently In Argentina

Wherever Shorthorns are bred around the world, you'll find Louada stock bulls at the head of leading herds. In the United States, Canada, South America, South Africa, Argentina, England and Scotland Louada bulls or their sons are working improvement into the fourth and fifth generations.

This year, for the first time, Louada shipped four bulls to Argentina where they were sold at Sittyton in mid-August. More than 1,600 persons turned out to see and to bid.

Argentina has long been among the world's leaders in beef cattle production and their Estancias carry some of the world's largest herds. For these practical cattlemen in a major grazing area, Louada bulls were the answer.

These were not the first Louada bulls to go to South America. Everyone remembers when Louada Bonaparte was exported to Charles Duggan at \$30,000. Bonaparte continued in service artificially at Louada where he sired Louada Rothes King among many others.

And, these will not be the last Louada bulls to go to Argentina, or to other foreign countries. Buyers know that when it's a question of getting the right bull, distance is no object.

On October 27 you can go to the source . . . Louada . . . without the expense of trans-Atlantic shipment, for a big Louada bull, capable of doing a big job.

Denend Ragusa was one of the most popular bulls of all time when he was supreme champion at Perth in 1965. He had probably the highest rate of gain of any Perth champion in history. He is the sire of Duncrahill Happy Man.

Denend Glen Lake sold for \$12,000 at Perth and later sired the 1968 Perth champion bull. He is the sire of Louada's new Woodhead Buchan.

## In It's Never-ending Louada Brings Three In A Bold Step Into

Few stock bulls have come to North America from other countries in recent years. But when it's a question of finding the right stock bull, distance, money and travel do not deter Louada.

Thus in the last year, three new bulls have come to Louada from Scotland. Woodhead Buchan was the first to arrive last November. He's the strong, white son of the \$12,000 Denend Glen Lake that sired the top bull at Perth a year ago. Buchan himself won his class at the 1966 Royal Highland.

On October 27 you'll be able to see the first Buchan calves, mostly rich dark roans. They'll sell at foot of their dams in this biggest-of-all Louada female sale.

And, you'll be able to see Duncrahill Happy Man and Chapelton Glenfyne.

Happy Man is a big bull, dark roan, exceptionally thick and very long. He's already sired a full crop of calves at Duncrahill that prove his greatness. Happy Man arrived at Louada on August 1 and was turned out with cows the following day. Between August 1 and September 15 he served 35 females in the field.

Glenfyne is a dark red bull of great size, length and trimness, but with it all he is still correct and true in his lines. Just a long yearling, he arrived at Louada in very lean but muscular condition. He served more than 45 cows naturally between August 1 and September 15 and gained 3.5 pounds a day in that time period.

These bulls are big, but their size does not come simply from hybrid vigor. They did not attain their present scale from excess

# Search For Progress

## Stock Bulls From Scotland

### Future Greatness

fit or pamper. Rather, they come by their massiveness honestly. It's inherited from the powerful bulls and females in their pedigrees. This heritage of substance almost guarantees that they will breed as big or bigger than they themselves are.

Please check very carefully the pedigree of each bull. Each of their sires is well-known. But you must evaluate carefully the wonderful outcross on the dam's side and the massive bulls that stand behind each cow. Louada has never used a stock bull out of anything but a truly great cow that is backed by truly great sires. There's a lesson in constructive Shorthorn breeding behind Buchan, Happy Man and Glenfyne. Consider what their influence will be on Shorthorns and Polled Shorthorns in the future.

Many herds would not even show lean young bulls until they had been home and acclimated for many months. But Louada is proud of both Glenfyne and Happy Man and will be glad to show them to you at any time. Those who have already seen these important new bulls agree that they signal the beginning of an important new era for Louada and for the breed. You owe it to yourself to see them first hand at Louada on sale weekend, if not before. Whether this year marks one of your many return trips to Louada, or your first visit, these two bulls alone will make it well worthwhile.

If you only add one or two females to your herd in a year . . . or in several years . . . this might well be the time. You can be the first to own a calf by Buchan, Happy Man or Glenfyne. And just think of the wonderful Louada cow that will be nursing that calf for you.

Denend Glendrossan was grand champion of the 1966 Royal Highland show in Scotland and now is in service at Chapelton where he sired Louada's newly imported Chapelton Glenfyne.

Those who value extra thickness and red-meat muscle will find it in Dun-crahill Happy Man whose first crop of calves are on the ground in Scotland.

DUNCRAHILL HAPPY MAN — The massive Duncrahill Happy Man is by Denend Ragusa that was a very popular supreme champion at Perth in 1965. Ragusa had the highest rate of gain per day of age of any Perth champion of all time. The dam of Happy Man is the strong Duncrahill Barbara Broadhooks and have stood for size and substance for generations. Happy Man is a big bull and he probably contains more outcross blood than any bull in service in North America today. In a day when breeders demand length, thickness and smoothness, Happy Man can be the answer. A full crop of his calves at Duncrahill are all the proof we need for Louada. More than 35 females have settled to his service since he arrived at Louada this summer and a large number are catalogued.

CHAPELTON GLENFYNE — Are you really serious about breeding and building on the traits considered so vital today by most cattlemen? Louada has been serious about the job for years and the selection of Chapelton Glenfyne eminently proves that this program will be continued as successfully in the future as it has been in the past. Only a long yearling, Glenfyne arrived from Scotland in lean, muscular condition. Since that time he's served more than 45 cows naturally but he continues to grow and to do well. He'll not be fat. Any flaws he may have will be as apparent now as at any time in his life, but Louada is still proud to show him to you. Straight and true in his lines, he has little brisket and no excess fat in flank, brisket or twist. Everyone likes his size, length and trimness. Glenfyne came from the famed James Biggar herd. He is by Denend Glendrossan that was champion of the 1966 Royal Highland. His dam is the beautiful Cathie Floss by Chapelton Clipper Chief and she's backed with a generous blend of Cruggleton and Calrossie at their very best. You can buy his service in the big Louada female sale October 27.

This is an unretouched, amateur snapshot of Woodhead Buchan taken in Scotland at 15 months. His first calves have arrived at Louada and sell with their dams on October 27.

WOODHEAD BUCHAN — He won his class at the 1966 Royal Highland Show and is by the \$12,000 Denend Glen Lake that sired the top bull at Perth a year ago. Buchan is out of a Woodhead Rosemary Clipper that combines two of the breed's most respected female lines: Cruggleton Augusta and Millhills Fair Clipper. She is a full sister to Woodhead Waverly that sired the 1968 Perth reserve champion. Besides Buchan, she is the dam of Woodhead Wellington that was interbreed champion of the 1964 Royal New Zealand Show; of Woodhead Umberto that sold to Dorsey Elliott of Kansas and of Woodhead Yorker that sold for \$9,000 to Argentina and sired the champion at Palermo this year. He is owned jointly with Allwood Plantation, Thomasville, Ga. His first calves have arrived at Louada and most are rich, dark roans. You can buy a number at foot of their dams on October 27.

## Denend Constellation

There's no question about it. Denend Constellation is easily the most prepotent sire of really outstanding bulls ever to walk the pastures at Louada. None has ever left a group of sons of such uniform excellence, length and substance.

No bull living today combines a stronger outcross bloodline through a concentration of three of Scotland's most historic sires—Cruggleton Perfect, Cruggleton Willingdon and Calrossie Control. Today there is no doubt that Denend Constellation is the best-breeding son of Bapton Constructor. And, from his dam comes invigorating new outcross blood from William Garne's highly regarded Aldsworth Pure Gold family.

The first two sons of Denend Constellation sold in the 1966 sale at a \$3,100 average to Scofield Ranch, Austin, Tex., and to George Shaw, Trimble, Mo. And they were just a sample.

In 1967 Louada Proud Prince sold at \$2,450 to Roslyn Flett, Oakwood, Ont. Louada Standard Bearer brought \$4,100 on the bid of Larry Hanson, Columbia, S.D. And there was more to come!

Early in 1968 Louada Red Ensign, by Constellation, sold to Dorsey Elliott, Sublette, Kan., and to Mr. and Mrs. D. A. Phillips, Highlands, N.C. No less a cattleman than Hollis Hanson, Connersville, Ind., selected **two** Denend Constellation sons — Louada Scottish Prince and Louada Winfield!

In the 1968 sale, eight Denend Constellation sons were topped by the \$5,700 Louada Roxborough that was to become an International first-prize winner for Tutira, Arundel, Que., and by the \$5,000 Louada Rothes Baronet to Ben and Franczy Zeigler, Zelienople, Pa. Also in 1968 Louada sold Louada Justright, one of

Denend Constellation as a two-year-old

the most promising Constellation sons, to Boyden Farms, Unionville, Ont. He had been used liberally at Louada and his calves prove the ability of the Denend Constellations to span the generations.

At the 1968 International Livestock Exposition the winning senior get-of-sire was by Denend Constellation, as were most of the members of the other winning groups, six head and ten head.

Today the pastures at Louada are filled with Constellation calves and experts

from around the world agree that no group by a single sire has ever been better. Several sons sell on October 27. They are bulls of exceptional size with great character and stamina. Here is vital new blood for the world's greatest herds. Here are scale, substance and abundant quality. Set your sights high for the sons of Denend Constellation. They will not disappoint you. Louada has never offered bulls by a single sire with more confidence!

# These Denend Constellation Sons Head Leading Herds

The success of any sire is measured by three things:

1. The quality of his sons and the prices they command
2. The success of his sons in the showing
3. The calibre of the herds that select his sons and, in turn, how well they perform for their new owners.

No matter how you gauge them, the Denend Constellations really measure up. The \$5,000 and \$5,700 tops of the 1968 Louada sale were his sons. The International first-prize and All-American senior get-of-sire were by him. And, outstanding breeders choose the Denend Constellations to head their own good herds.

Can there be any doubt that Denend Constellation is siring the most uniformly excellent sons ever born at Louada? Look at the bulls pictured here. They are all by Denend Constellation and they're shown at varying ages. Like true stock bulls, they look good at any stage of their development. Study the Denend Constellations carefully...a big Constellation son is capable of doing a BIG job for you.

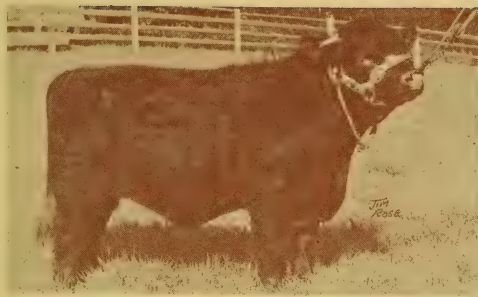

Louada Roxborough by Denend Constellation topped the 1968 sale at \$5,700 to Tutira Farms, Arundel, Que. He later won his class at the International Livestock Exposition and was All-American.

Left — The \$5,000 Louada Rothes Baronet was second top bull of the 1968 Louada Sale to Ben and Francy Zeigler, Zelienople, Pa. He is by Denend Constellation.

Right — One of the most popular bulls of 1968 was Louada Astronaut by Denend Constellation. He sold in the October sale to Larry Hanson, Columbia, S.D.

Louada Scottish Prince by Denend Constellation was sold privately in 1968 to B. Hollis Hanson, Connersville, Ind. He also purchased his three-fourths brother, Louada Winfield.

Louada Justright by Denend Constellation weighed 1,800 pounds on pasture at Louada at 27 months. After liberal use in the herd, he was sold to Boyden Farms, Unionville, Ont.

Louada Ben Hur by Denend Constellation sold in the 1968 sale to Andrew Gaunt, Lucknow, Ont., and went on to be second in class at the 1968 International and an All-American.

Louada Winfield by Denend Constellation sold in 1968 to B. Hollis Hanson, Connersville, Ind., who also chose a three-fourths brother.

Louada Proud Prince by Denend Constellation sold among the tops of the 1967 sale. He is now owned by Roslyn Flett, Oakwood, Ont.

LOUADA ROYAL LEADER — Louada feels fortunate to have produced this powerful bull that is line-bred to the immortal Blood Royal 33rd, one of the great cows of this, or any breed. She produced her 14th calf for Louada at 17 years. She is also the dam of the \$30,000 Louada Bonaparte; of Louada Blockbuster, stock bull for N. D. Hogg, Uxbridge, Ont.; of Louada Bondholder, stock bull for Gavin, Barry and Ryan of Illinois and Byron Reser of Washington, and of Louada Argosy, sold to Joe Christen, Aurora, Colo. Louada Royal Leader is backed by the most prepotent blood of the breed including Lawton President Roosevelt, Calrossie Highland Leader, Kirkton Baronet and Lawton Field Marshall. Never has the service of a young bull been used from its inception with such a high degree of confidence. His first son offered at auction was Louada Provost that topped the 1966 fall sale at \$8,000 to Mains Farm, Poulso, Wash. Another son, Louada Beau Geste, topped the 1967 October sale at \$7,500 to George and Harold Frey, Oxbow, Sask., before becoming International reserve junior champion bull. Yet another son sold privately to Barry and Ryan of Illinois and W. N. Anderson of Iowa. Two sons sold in the 1968 sale. Louada Royal Oak went to Mr. and Mrs. D. A. Phillips, Highlands, N.C., at \$4,000 and became reserve senior champion of the Royal Winter Fair. Louada Bon Accord sold at \$3,300 to Les Mathews, Yates City, Ill., and became International reserve junior champion and All-American. Louada Archeson and Louada Roderick, two of his best sons, were reserve grand and reserve junior champions of the 1968 Royal Winter Fair. Both have been used heavily at Louada and will continue in service there artificially. They were both exported to Argentina last summer. An interest and possession in Louada Royal Leader sold to M-F Farms, Milliken, Ont., in January of 1968. Another is owned by Ken Parkinson, Balmenach Farm, Arnprior, Ont. His progeny selling prove him to be a sire of exceptional size and substance with the big, sound feet that are demanded by commercial and registered breeders alike.

## Louada Roderick

One of the best sons of Louada Royal Leader to date, Louada Roderick (left) was used at Louada before his export to Argentina this summer. His service at Louada will be continued artificially. Roderick was reserve junior champion of the 1968 Royal Winter Fair in Toronto where two more half brothers also won championships. He is out of the imported Denend Princess Alice that is from one of the most reliable families in the historic Craggleton herd. Princess Alice is by Bapton Lord Mayor, one of the best bulls of his year at Perth.

## Sale Tops, Champions And Leading Stock Bulls All

**LOUADA PROVOST**  
Pictured left, he was the \$8,000 top of the 1966 sale to Mains Farm, Poulsbo, Wash. Provost was one of the first Louada Royal Leader sons to sell.

**LOUADA BEAU GESTE**  
Pictured right, he was the \$7,500 top of the 1968 sale to George and Harold Frey, Oxbow, Sask. He is a full brother to Louada Provost. Both are by Louada Royal Leader and out of the \$5,000 Denend Buttercup Chloe. Beau Geste was International reserve junior champion and All-American.

## Louada Acheson

Probably the best son born to date of Louada Royal Leader is Louada Acheson (right). You can see his first calves at Louada on sale day. Although he was exported to Argentina this summer, his use in the herd continues artificially. Acheson was reserve grand champion of the 1968 Royal Winter Fair and an All-American. His dam is Louada Augusta Queen 2nd that was out of the \$5,700 Louada Augusta Queen by Calrossie Armada.

## Are By The Massive Louada Royal Leader

**LOUADA BON ACCORD**  
Pictured, left, he sold in the 1968 sale at \$3,300 to Lester Mathews, Yates City, Ill., and later was international reserve junior champion and All-American. By Louada Royal Leader.

**LOUADA ROYAL OAK**  
Pictured, right, he sold at \$4,000 in the 1968 sale to Mr. and Mrs. D. A. Phillips, Highlands, N. C., and later was reserve senior champion of the Royal Winter Fair. By Louada Royal Leader.

## Louada Rothes King

There can be no doubt that Louada Rothes King is one of the truly great stock bulls of the era. His overall conformation has won the praise of beef cattlemen everywhere. His sons have averaged more than \$4,000. His daughters assure the excellence of the Louada herd for years to come. Ten sold in the 1967 spring sale to average \$2,050 and included Canada's top-selling female of all time at \$6,700! His dam brought \$3,500 as a nine-year-old cow!

In 1965 a son topped the sale at \$17,200. His senior and junior gets-of-sire were All-Americans in both 1965 and 1966. He sired most of the best ten head groups at the 1965 and 1966 International Livestock Expositions and ten sons made up the 1963 best ten head there.

A daughter, Louada Judy Clara, was International supreme champion in 1966. Another daughter, Louada Princess Rosie, topped the 1967 October sale females before becoming grand champion at Timonium and reserve senior champion at the International. Another daughter, Louada Bright Princess, was 1968 International senior champion and All-American.

One of his first sons, Louada Peerless, owned by John F. Shuman and Sons, Byers, Colo., has been classified AAA. Another son, Louada Jason, is senior stock bull for Tempel Farms, Wadsworth, Ill., after winning the International reserve grand championship.

King is by the \$30,000 Louada Bonaparte that was out of the immortal Blood Royal

LOUADA ROTHES KING

33rd by Calrossie Highland Leader. On the dam's side are crosses of two more of the breed's more prepotent families — the Kirkton Queens of Rothes and the Tolquhon (Cruggleton) Princess Royals — lines that breed successful stock bulls and have for generations. The Louada Rothes Kings selling are your opportunity to acquire one of

history's most illustrious bloodlines.

There is no need to reprint Louada Rothes King's pedigree here. It is well known to Shorthorn breeders the world over. Be sure to study his daughters carefully. Both those selling and those retained in the herd are beautiful females of great femininity and with good, level udders.

LOUADA RED ENSIGN — Being used now at Louada is this young son of Denend Constellation. His dam, Louada Blood Royal 130th, is out of the same cow that produced the International reserve grand champion Louada Cornerstone in service for Allwood Plantation, Thomasville, Ga.; Louada Copyright, in service at Allendale, Flesherston, Ont.; and Louada Conquest, the Royal Winter Fair reserve champion, in service for Harold Frey, Oxbow, Sask. This family also produced Louada Stalwart sold to Ben Zeigler, Zelenople, Pennsylvania, and Louada Brocade, herd sire for William Fenley, Greensburg, Ind.

The \$30,000 Louada Bonaparte sired the best group of five by one sire at Palermo in his first crop and the calf champion there was by him in 1967. Louada Red Ensign's first calves have arrived at Louada and prove his value to the breeding program. Ownership in Red Ensign is shared with Dorsey Elliott, Diaden Farm, Sublette, Kan., who has possession, and with Mr. and Mrs. D. A. Phillips, Highlands, N.C.

LOUADA ROYAL MINT — By Denend Constellation and out of a full sister to Louada Cornerstone, the 1959 International reserve champion and stock bull for several years in the Allwood herd in Georgia. His granddam was considered the best daughter of Calrossie Armada. She was out of the great Blood Royal 33rd, probably the greatest cow of the breed in the last 20 years. Pages could be written on the good bulls and females that descended from Blood Royal 33rd, her daughters and granddaughters. This bull has the background and all the look of a great stock bull.

LOUADA ROYAL MINT

LOUADA PANDARUS — Another son of Denend Constellation from the Calrossie Princess Royal family. This family produced Louada Princess Rosie, the top of our 1967 sale going to Fernwood Farm. Rosie was champion female at the Eastern National the same year. An infusion of the blood of Blood Royal 33rd is brought in through the granddam's sire, Louada Randolph. He was out of a daughter of Blood Royal 33rd that was full sister to Louada Bonaparte, he going to the Duggan herd in Argentina for \$30,000 in 1959. We have great confidence in this young bull.

# Those Seeking Size Will Find It At Louada

## . . . As They Have For 20 Years

The hue and cry today . . . the urgent demand . . . the desperate need in the beef cattle business is for "modern" cattle. There are as many definitions of the term "modern" as there are people in the cattle business. But, almost any definition will include words like size, substance, length, muscling, trimness. These are hardly new. Really constructive breeders have been developing cattle along those lines for years and shunning those that quit at an early stage of their development.

There have been times at leading shows when the Louada bulls were roundly criticized. They were too big. Some even said horsey. And, worst of all, they weren't fat!

That's right, Louada doesn't get its bulls fat. It's no trick to get a bull to weigh 1,000 pounds at a year. But that's a meaningless figure if the bull is little, dumpy and over-fat. He'll never make a ton sire or even approach it.

Study the weights of the Louada bulls at right . . . remembering that Louada bulls are not fat bulls. These weights are a true indication of their ability to develop the structure and frame of those big, long, "modern" bulls so much in demand.

At Louada the bulls are weaned at seven months. They're brought along naturally, in groups, and their ration is largely roughage, including turnips, good alfalfa hay, oats and bran.

The development of Louada's bulls insures that they'll grow and prosper for you. That's why practical ranchers like the Thiedes of Nebraska, Ed Hoyt and Joe Christian of Colorado and so many more come back to Louada year after year for big bulls that get the job done.

Here are the weights of the Louada sale bulls taken on September 3, 1969. Remember, that Louada does not get its bulls fat. These weights are a true indication of the bulls' structural soundness and ability to develop a big, rugged frame.

Louada Piedmont .....	995 pounds
Louada White Duke .....	1,100 pounds
Louada Quentin .....	1,133 pounds
Louada Prince Raphael .....	1,415 pounds
Louada Red Admiral .....	1,120 pounds
Louada Bold Baron .....	1,090 pounds
Louada Garland .....	1,188 pounds
Louada Ivanhoe .....	1,220 pounds
Louada Judson .....	1,133 pounds

The younger calves have not been weighed as yet, but complete weights on all the bulls will be taken again shortly before the October 27 sale.

LOUADA PRINCE RAPHAEL, Lot 1.

LOUADA PRINCE RAPHAEL — He is the first calf by Louada Justright, now stock bull for Boyden Farms, Unionville, Ont. And that's a great start for any young bull. Louada Prince Raphael is a calf with tremendous size and growth. His dam was top-selling female in our 1967 October sale, going to Fernwood Farm, Barrington, Ill. She later was grand champion female at the Eastern National. This is a bull that is bred to be big and good.

Here is another view of Louada Prince Raphael. This amateur snapshot was taken on pasture last summer.

**LOUADA BOLD BARON** — By Denend Constellation, he is from our good Blood Royal family. His dam produced the reserve junior champion at the 1968 International Livestock Exposition, Louada Bon Accord, later named All-American spring yearling, and now stock bull for Les Mathews and Francis Barry of Illinois. This is a great prospect.

LOUADA CAMBRIAN — His sire, Louada Stalwart, is doing a good job in the Hidden Valley herd of Ben and Francy Zeigler, Fombell, Pa. His dam is the dam of Louada Judy Clara, the 1966 supreme champion at the Chicago International. She sells as a featured attraction in this sale.

Massive brood cows like these have written breed history both at Louada and for their new owners. At left is Fralawn Augusta Lady 2nd, Lot 80.

# Louada's Biggest Female Sale Is Your Opportunity

Just a few of those selling October 27 are, from left, Louada Augusta Queen 22nd, Lot 74, and her heifer calf by Denend Constellation; Louada Bright Connie, Lot 30; Louada Gillian Clara, Lot 14; Louada Rosewood Lana, Lot 70, and Fralawn Rothes Florid 7th, Lot 53, and her bull calf by Louada Royal Duke.

There is a magic ring to the word dispersion . . . and rightfully so. In a true dispersion, herds sell the basic foundation material from which their success has been built.

Obviously, this is not a dispersion. The Louada herd is at its peak and will continue for years. Only from this position of strength does Louada dare sell its largest number of females ever. It's sound business and will bring the Louada program yet another step further down the road. After October 27, the Louada females will be younger and more uniform than ever. At the same time, the dams and sisters of those females will go on working for others, bringing the

same improvements to those herds that they have brought to Louada.

What value can you place on a Louada female? Over the years, those who have purchased them have soon found that whatever the price, it is quickly returned in just one or two calves . . . if you choose to sell those calves. Most of their daughters are usually retained, however, and an unusually large number of Louada cows sold to others have produced stock bulls for their new owners.

Each Louada female is backed by decade after decade of breed improvement from the master breeders of the world, all carefully fused by years of Louada's own care-

ful program. Your Louada female is no accident. She is the result of generations of the best blood the world has ever known. Doesn't that almost insure the high quality of the calves she will produce for you.

And consider the bull she is bred to. This year's opportunity is a rare one indeed since you have a chance to buy the first calves and service of Woodhead Buchan and the service of Duncrahill Happy Man and Chapelton Glenfyne.

Opportunities like these seldom arise in the cattle business because Louada is selling time . . . something no one can spare. How many of these world famous females will you own?

# The 1966 International Supreme Champion Female Sells!

The International supreme champion Louada Judy Clara sells as Lot 13. She is one of the few females ever to win the supreme honor at Chicago. Her heifer calf is by Denend Constellation.

LOUADA GILLIAN CLARA — She's one of the best Louada Rothes King daughters. We have a very good yearling daughter of this cow by Louada Justright. She has at foot a red heifer calf by Louada Justright born on May 31. Served August 21 to Duncrahill Happy Man.

All of these cows sell. From left are: Louada Queen Fabiola, Lot 15; Louada Princess Bonanza, Lot 45; Ettrick Augusta Nan, Lot 62, and Louada Rothes Flo, Lot 48.

**LOUADA QUEEN FABIOLA** — This great daughter of Louada Rothes King is a full-sister to Louada Rostral that is breeding so well for John Esau in Manitoba. We have a good 1968 daughter in the herd. She has a red roan bull calf at foot calved August 29 by Woodhead Buchan.

LOUADA WATERLOO PAMELA — A strong heifer from the good Waterloo family, her dam sold in our 1968 sale to Carlan Enterprises. We had the misfortune of losing her calf. However, she has been nursing a calf that does not sell. Served to Woodhead Buchan on June 26.

LOUADA BRIGHT CONNIE — A daughter of Denend Constellation from the good Chapelton Bright family. We had the misfortune of losing her calf at two weeks of age. Served to Woodhead Buchan on April 12.

LOUADA PRINCESS EMMA — This very strong daughter of Bapton Constructor is out of a great-breeding daughter of the famous Princess Esther. Muirside Princess Emma is the dam of Louada Proud Prince that is breeding so well in the herd of Roslyn Flett of Oakwood, Ont. Half-brother, half-sister matings with Denend Constellation have worked very well for us. Think of the background of Cruggleton and Calrossie breeding this calf will have. She is nursing a red heifer calf which will be retained. Served to Denend Constellation on May 4.

LOUADA QUEEN DELLA 2nd — A daughter of Louada Passport that has bred so well for Andy Gaunt, Lucknow, Ont. Her dam is out of the same cow as the dam of Louada Rothes King and was sold in our 1967 sale to Fernwood Farm, Barrington, Ill. She is carrying her second calf. Served to Woodhead Buchan on March 31.
